01 PROFESSIONAL PROFILE

Creative and detail-oriented Photographer & Video Editor with 7+ years of freelance and agency experience. Skilled in Adobe Creative Suite and visual storytelling. Proven track record with clients including Mahanagar Times and public figures. Specializing in cinematic shoots, event coverage, and branded content.

02 EDUCATION

Bachelor's in science

Rajasthan University (2017 - 2021)

- During my graduation, I completed multiple internships in photography and videography, applying theory to real-world projects. These experiences sharpened my skills in editing, lighting, and storytelling, preparing me to contribute effectively to any creative team.

03 EXPERIENCE

Creative Director & Photographer

Cinematic Shoots | 8 yrs experience

- Directed many cinematic shoots, managing full cycle from concept to post-production.
- Edited high-impact videos using Adobe Premiere Pro and After Effects, increasing engagement on social media by 60%.
- Collaborated with Mahanagar Times and political figures like MLA Dr. Gopal Sharma for professional projects.
- Expertise in graphic designing with 8 years of Freelancing work
- Mahanagar Times News Agency - 2yrs of Experience in handling creative shoots {podcast, Interviews and post editing process }
